A Dollar Is a Dollar, Whether Saved or Earned.

# How to Have Cash!

Letting In a Little Light on the Subject of Lucre.

A dollar saved is a dollar earned. It is not what a man earns that makes him wealthy. It is what he saves. It is easier to spend money than it is to earn it. Therefore, when you spend it see that you get full value for it.

Clothing is a necessity of life. We have to dress. The laws of civilization demand it. Clothing costs money, and the MISFIT CLOTH-ING PARLORS, No. 262 SECOND STREET, will give you more for your money than you can obtain elsewhere.

#### Why Misfits Are the Cheapest.

1. BECAUSE you are sure of getting good cloth.

2. Because tailor garments are always well made. 3. BECAUSE you get the best of clothing for less than half its

actual value. 4. BECAUSE, although they are called "Mispirs," you get better fits than you can find among readymade clothing.

5. BECAUSE you really gain what the tailors lose.

6. BECAUSE you get clothing that was made to bring double what you pay for it.

7. Because you are always certain of getting full value for your
